

## Game of Logging Scholarship Application

A donor to the Agricultural Stewardship Association (ASA) who completed the Game of Logging safety trainings in 2015 is funding 6 full scholarships in 2022. The trainings are sponsored by ASA and are taught by instructors from Northeast Woodland Training.

Successful applicants will commit to completing all four levels of the GOL trainings in 2022. Each training level runs from 8 a.m. - 4 p.m. The trainings will be held in southern Washington County, the exact location will be announced in early April. Applicants should not be professionally employed in the forestry industry, although individual small businesses will be considered. Safety helmets and chaps will be available to scholarship winners.
